Can't Get Along Without "Page's Perfected Poultry Feed."

Poultrymen should be careful to discriminate between "Page's Perfected Poultry Feed" and the various "condition powders" with which the market is flooded nowadays. It is not a medicine in the strict sense of the word, but an honest food which, if the fowls are otherwise properly cared for, will return the poultryman more than 200 per cent profit. Mrs. H. H. Blanchard of Brownsville, Vt., expresses the common sentiment of users of this food. She says: "I have tried and fed 'Page's Perfected Poultry Feed' for two years and am now feeding it. Will say that I keep from 75 to 100 hens and think I cannot get along without it."

Any one sending his address on a postal card to C. S. Page, Hyde Park, Vt., and mentioning this paper, will receive by mail, free, postpaid, a sample package of "Page's Perfected Poultry Feed."

Dr. Wood's Norway Pine Syrup seems especially adapted to the needs of the children. Pleasant to take; soothing in its influence. It is the remedy of all remedies for every form of throat and lung disease.

Dear Doctor—

I owe you so much—
for you saved my mama's life—
she was awful sick—the Doctor
came and Papa cried—so did I—
The Doctor could not help her—
but Aunt Emma—She told
mama to take Dr. Pierce's Favorite
Prescription—and so she got
well in nough time.

I thank you very much

To Dr. R. V. Pierce.

Erin Decker.

Many mothers of families in the United States have reason to be grateful to the person who recommended Dr. Pierce's Favorite Prescription. This is a medicine specially prescribed for diseases of womanhood. It does not cure eczema, catarrh in all its forms, nor heart disease, for it is put up for the single purpose of curing diseases peculiar to women. It has a reputation of over a third of a century of cures, and has sold more largely than any other medicine for women. Another point in its favor—it does not contain a single drop of alcohol or harmful habit-forming drugs. It is purely vegetable and perfectly harmless in any condition of the system. An alcoholic compound for women is something no woman should take and yet "Favorite Prescription" is the only tonic and nerve put up for sale through druggists, especially for women's weakness, that does not contain alcohol and that too in large quantities. Womanly weakness will always bring nervous irritability and a nervous condition, for which alcohol is the worst thing in the world. What a woman thus afflicted needs is a vegetable tonic and invigorating nerve like Dr. Pierce's Favorite Prescription, which will build up her delicate system and bring about a healthy tone. It cures the drains and weaknesses of women, also displacements, as prolapsus, anteversion, retroversion, irregular and painful periods and kindred ailments.

If you want to know what all the United States mail will bring you the best medical advice for only the cost of writing material and stamps.

Many women owe their present good health to the fact that they consulted Dr. Pierce by letter, giving him all possible information about their condition, symptoms, etc., and received in return good medical advice which cost them nothing. This is why we advise you to write to Dr. R. V. Pierce, the founder of the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y.

Dr. Pierce by no means confines himself to prescribing his well-known proprietary medicines. He tells you in the most common-sense way what ails you, what you ought to do, what

Philo Fuller.

Philo Fuller, aged 81 years, one of the oldest men of Chester, died Sunday night, December 10, at the home of his daughter, Mrs. Volney J. Wood, in Factoryville, after a short illness. He was the oldest member of Olive Branch Lodge F. & A. M., and was the first candidate on whom degrees were conferred when the present charter was granted forty years ago. He was also a member of Sheridan Post, G. A. R., at Weston. In 1863 he enlisted in Co. E, 34th Vt. Inf., and served eighteen months, or until the close of the war.

Mr. Fuller was born in Eton, he was one of the best known farmers in Andover, where he resided until eleven years ago, when he sold his farm and went to live with his daughter.

Mr. Fuller is survived by three children, Frank H., of Northampton, Mass.; Volney J., of Wood, of Chester, and Ellsworth L., Fuller, of Jackson, Mich.

Promoters of Electric Road to Meet.

The promoters of the prospective Champlain Valley electric road have called a meeting to be held in Vergennes Thursday afternoon, December 21. The object of the meeting will be to discuss the project in all its phases, to arouse agitation of the question, and to form an organization whose purpose will be to obtain a charter from the next legislature and in the meantime to acquire the consent of the different towns to grant the necessary privileges and right of way. It is thought that ultimately a stock company will be formed, and if all the people who would be benefited by the road become members of the company the success of the project will be assured. The reported contemplated route of the road is from Burlington through the towns of Shelburne, Charlotte, Vergennes, Vergennes, Tinton, Addison, Briarport, Shelburne, and Orwell.

STATE SENATOR INDICTED.

In Connection With Alleged Land Frauds in Kansas—Other Indictments.

Topeka, Kan., Dec. 17.—The federal grand jury at Topeka, which has been investigating government land frauds in Kansas, last night returned an indictment against State Senator F. Dumont Smith, on the charge of influencing a federal officer to neglect his duties. Senator Smith is one of the most prominent Republican politicians in the state.

Albert B. Andrews.

Albert B. Andrews, a former selectman, and prosperous farmer, and prominent citizen of Williamsburg, Mass., committed suicide December 3, in a barn on his farm in that town by shooting himself in the right temple. The cause of Mr. Andrews' act is unknown, but it is believed that he had been mentally deranged several years.

Mr. Andrews was one of the town's best known citizens, and for two years, in 1902 and 1901, was a member of the board of selectmen. He refused a third term. He was born in Guilford, 58 years ago, but soon after his marriage in 1877 to Miss Abbie E. Lindley, daughter of John and Julia Lindley, of Williamsburg, moved to Williamsburg and had since lived there. He was successful and had accumulated some property, including the farm on which he lived. Mr. Andrews was a son of Nathaniel and Abigail Andrews, of Guilford. He is survived by one son, Albert Leroy Andrews, graduate of Williams College, who is now studying in Berlin, Germany, and one daughter, Miss Maude L. Andrews, a graduate of Vassar College; two brothers who live in Middlebury; and two sisters, one in Fitchburg, Mass., and the other in California.

Rutland's Improvement Morally.

Rutland is improving morally. This is the decision of Chief of Police J. P. Clifford arrived at when he consulted his clerk recently, says The Rutland Herald. As he turned over the sheets of the police ledger, dating from January 1 to December 1 he found that the number of arrests made during November were the smallest since April. Chief Clifford believes that there is less intemperance.

According to the figures given to a reporter the largest number of arrests was made in July. During this month 77 prisoners were taken on the big ledger at police headquarters. May and September records show 75 arrests each month. The smallest number of arrests made during the past eleven months was in February, when 18 were taken behind the bars. In January there were 30, March, 21; April, 23; June, 24; August 25, and October, 26.

The net proceeds of a sale held by St. Peter's Roman Catholic church, Rutland, will be added to the fund for a new church. The money for the new edifice has been raised within about \$2,000 of the required amount. It is thought that work may be begun soon after Easter, as it is probable that the necessary amount of money will be raised by that time.

The committee on naval affairs of the national House of Representatives has under consideration a bill providing that a model of each vessel of war named for a state of the United States shall be furnished for exhibition in the Capitol building of that state. Should the bill pass the Capitol at Montpelier will receive a handsome model of the new battleship Vermont recently launched at Quincy, Mass.

And Now is the Time To Save Money.
